

PLUMES EN HERBE 2019 - TUBUAI

Classe de 6ème A

Colours

What is yellow ? The sun is yellow.

“Good night” and “ hello”!

What is violet? Clouds are violet.

This is their secret.

What is blue? The lagoon is blue.

So beautiful. - Thank you!

What is green ? The grass is green

With small flowers between.

What is white? A “tiare” is white

Opening in the light.

What is orange? An orange is orange,

Just an orange!

Classe de 6ème B

Hello, goodbye

You say *yes*,

I say *no*.

You say *stop*,

I say *go*.

You say *goodbye*,

I say *hello*.

You say *it's only a room*,

I say *but it's my room*,

It's my space,

My place,

Somewhere to go,

Somewhere to sleep,

Somewhere to hide,

Somewhere to cry,

Somewhere to think,

Somewhere to be.

It's only a room,

But it's my room.

You say *yes*,

I say *no*.

You say *stop*,

I say *go*.

You say *goodbye*,

I say *hello*.

You say *why*,

I say *I don't know*.

Oh no!

Look at the rain falling, falling,

Opposite the sun shining, shining,

Very high and bright, very grey and low,

Enjoy life over the rainbow!

Classe de 3ème B

Brotherhood

It is as simple as that.

What ?

It is to be together and share

Say hello, bye everywhere

Take many photos

Never punch a friend on the nose

Try to solve the riddle

Of how to help my people

And be here for my family

Make peace and have a party

Ride the future

Goodbye, teacher

Live and enjoy

That's great, boy !

That's what I like.

That's what I want.

That's what I need.

Lots of love

Lots of harmony

Lots of dreams

It's as easy as pie

On the earth and in the sky.

Classe de 3ème C

Cyber bullying

Targets can be today's youth
And that is the truth.
You're an easy target,
But you're not a puppet.
It does harm in so many ways.
It happens nights and days.
In your cell phone or in web pages,
You're never alone : private messages
Can be mean,
But you are keen.
Bad words or images,
Don't wait for ages.
Today and tomorrow,
Just say no.
Call somebody, speak to somebody -
I don't speak to people easily.
Share information,
Spreading germs cause infection.
